Jewish brothers Paul and Max Warburg were from a powerful banking family tied to the Rothshields. Prior to the creation of the
Federal Reserve the expense of conducting something as expensive as a world war was out of the question. The general populace would have instantly felt the expense and stopped it. The Federal
Reserve is a group of European bankers giving our country a credit card with interest attached. Buy now ,pay later. We never caught on to the fact that we were …

Modern warfare would not exist without central banks.
The primary purpose of a central bank is to fund wars.

Total Debt: Lockheed Martin $17 billion / Raytheon Technologies $42.89 billion, Northrop Grumman $14.69 billion, General Dynamics $7.26 billion, Much of this debt is Loans from the major Banks. So Bankers are making lots of money from the military industrial complex
